

Summer 2021 **Level Eligibility Requirements**

ALL Beginner Levels:

Players that meet at least one of these benchmarks in any age group are NOT eligible for participation at the Beginner Level:

- Players with a JNTRP rating of 2.5 and above at time of registration.
- Players with more than 180 points in any age group on the posted Georgia standings list as of the end of December 2020. Point totals shall include both singles and doubles divisions from which points were acquired. Points earned due to defaults will not be considered and may be deducted if noted in writing to the Local League Coordinator at time of registration. *Please note: TennisLink will NOT stop a player that has more than 180 points from registering to a team. It is the responsibility of the parent/captain to check eligibility before registering each player. Failure to do so will result in disqualification.

10U Intermediate and Advanced Levels:

Players with a 1-100 Southern Section standing in the 10's as of the end of December 2020 and who are playing in the 10's must play Advanced. If a 10U player has played up in the 12s and has a JNTRP rating of 3.5 or above the player must play Advanced.

*Please note: TennisLink will NOT stop an ineligible 10U player from registering to a team. It is the responsibility of the parent/captain to check eligibility before registering each player. Failure to do so will result in disqualification.

To search for tournament standings/points by player name you will need to go to:
<https://tennislink.usta.com/tournaments/rankings/rankinghome.aspx>. Select Southern, 2020, select appropriate division, select All List Types, click "Find It" and go to the last standing list in December.

12U-18U Advanced Low and High Levels:

Players with a JNTRP rating of 3.5 and above at time of registration must play at the advanced level.

Advanced Low Level - Players with a JNTRP rating of 1.0-3.9 at time of registration are eligible to play at the Advanced Low level.

Advanced High Level - Players with a JNTRP rating of 1.0-7.0 at time of registration can play at the Advanced High level.

Final placement will be at USTA Atlanta's discretion, including the option of combining High and Low flights into one, if necessary.

Find Your Rating:

If you have played a minimum of four matches in the last 18 months in 12U-18U divisions of USTA-sanctioned and/or non-sanctioned junior tournaments and/or Junior Team Tennis leagues, then you more than likely have a dynamic rating.
