PROGRESSION

- I. Local leagues with the following number of teams per local season may qualify to advance to the Georgia State Championship.

18 & Over, 40 & Over, 55 & Over

2 teams	1 berth
3-5 teams	2 berths
6-10 teams	3 teams
11+ teams	4 teams

If a local league holds two seasons at a specific level, they must have a minimum of three teams participating in one of the two seasons at that level to receive two berths to the State Championships. Two team leagues in both seasons will only receive one berth to the State Championships. The local league will determine which team receives the berth.

- II. Any local league divided into flights must establish playoff regulations and the format for determination of local league winners.
- III. In the 18 & Over division, no individual is eligible to progress to the State Championship unless he/she has played on that same team in at least one match and no team is eligible to progress unless they have played at least three team matches during the local league season. A defaulted match shall count for the player(s) who received the default. A retired match shall count for all players involved.
- IV. In the 40 & Over division and 55 & Over division, the same regulation applies as above, unless there is no local competition from a CTA during the championship year. If this occurs, a team may advance directly to the Tri-Level State Championship

- VI. All matches at the USTA Georgia Tri-Level State Championship will be the best of two sets and the Set Tiebreak shall be used at 6 all in each set. In lieu of a third set, a Match Tiebreak shall be played (the first to 10 winning by 2). There will be a 2 minute set break at the end of each set with no coaching. The Match Tiebreak shall be scored as 1 set plus 1 game for tiebreak procedures.
- VII. All tie breaks will be played using the Coman Tiebreak Procedure.
- VIII. A team match format shall be three individual doubles matches. The team winning the majority of those three individual matches shall be awarded one point.
- IX. State Championship play shall be round robin in all levels of competition. Levels with 2 or more flights will have a single elimination playoff.
- X. Defaults shall be "from the bottom up," defaulting the lowest positions first.
- XI. **Individual Defaults.** Any team defaulting a court for any reason will be fined \$100 per court defaulted. The fine must be paid in the tournament room prior to the team's next match. If it's the team's last match of the tournament, they must pay prior to leaving. If a team does not pay the fine, a grievance will be filed against all members listed on the team information sheet, which could result in suspension from any USTA League play until the fine is paid. Any matches played during that time will be reverted to losses. The reason for this regulation is it's your team's responsibility to have players on every court at each match during a state championship. When a team defaults a line, it not only can affect the outcome of the tournament, but more importantly, it affects those players who showed up ready to play, only to find their opponents did not show.

XII. Match winners shall be determined by the winner of most courts and shall receive 1 point for each match win. In the event of a tie, the tie shall be broken by the first of the following procedures that does so:

Individual Matches. Winner of the most matches in the entire competition.
