

Hello captains!

Re: Adult 65 & Over Fall 2020 (2021 League Year)
Season: Starts October 2 at 10:00 a.m.

Welcome to another season of USTA League Tennis! Thank you so much for volunteering. Not only will you serve as the communicator and representative for your team, but we wouldn't have our league without all of your efforts. This introductory letter will serve as an information source throughout the entire league season. Refer to it whenever you have a question. If there is a question not listed in this information source, or if you need clarification on a topic, please do not hesitate to contact me.

RULE REMINDERS:

- If you have registered a team out of facility that is currently closed and that facility is still closed at the time your first home match is scheduled, you must notify your opponent and give them the option to play the match at their courts. If they cannot provide courts, it goes back to the original home team to find alternate courts for the match. The courts should be within a reasonable distance of the originally listed home courts and must fall within USTA Atlanta boundaries.
- Players are expected to follow the safe play guidelines listed at usta.com/playersafety. Captains will also be provided with a condensed version of these guidelines in PDF format to share with their players. **No sharing of food or drink will be permitted this season. Every player is responsible for providing their own food and drink.** Additionally, there will be no ball exchange at the end of the match for this season.
- In order for players to be eligible to play in the local playoffs, they must play **one time during the regular season** (first match through the last regularly scheduled match of the round robin). A default may count as a match played.
- If a team forfeits 2 or 3 lines in a match, making it invalid, a warning letter will be sent to the team. If this happens a second time in the league season, the team will be removed from the league and reported to the USTA Georgia Adult League Committee for review.

Sincerely,

Johnnie Collier

Important Tips

- Be sure to thoroughly read through and be well-versed with USTA Atlanta local rules and regulations.
- Ensure a proper scorecard exchange before each match. Both captains should simultaneously exchange COMPLETE scorecards before the start of the match. This can be done via text message to allow for social distancing.
- Assign a co-captain for your team! This will help for when you are out-of-town unexpectedly and can have someone take over for a team match. Once assigned, they will be able to have captain access on TennisLink.
- Contact your captain at least 3 days in advance to coordinate logistics for the team match.
- When speaking with the captain, confirm the facility address to make sure you have the correct address on file. You will also want to find out the number of courts that will be given for match and court surface.
- If both captains agree, you may play your match earlier or at a different time on match day. Keep your program director informed if you do this!
- "Home" teams are required to provide two courts of the same surface for each team match. Unless another arrangement was made (and "agreed upon" by both captains), the first two matches to go on will be the #1 doubles and #2 doubles. The #3 doubles should be there within one hour after the start of match time.
- Make sure your player is registered on your team before stepping foot on the court. If your player's match is started at 10:00 AM, and they registered on the team at 10:02 AM, it is an illegal match and will be disqualified and awarded to the opposing team.

The Grievances Process (found in captain's corner)

When viewing the captain's corner, you will notice a grievance section with two types of complaints that can be filed from a captain.

NTRP Grievance

If you believe that you (or one of your players) have played against a player that has misrepresented their playing ability within the self-rating process (i.e., their playing level is at the top of the next level or higher), you should file a NTRP Grievance ASAP before the next match is played. The process works if you use it. However, you must have evidentiary support for your claim. An opinion is not a valid back-up for a self-rate grievance.

USTA Atlanta does not process NTRP Grievances – this is done by the USTA Southern Section. (However, you will submit your form to USTA Atlanta, who will forward your complaint to USTA Southern.) You can find forms and instructions on www.ustaatlanta.com. NTRP Grievances may only be filed against self-rated players. If a player has a computer-generated rating, their rating usually cannot be disputed through this process.

Sportsmanship Grievance

All complaints alleging a violation of USTA League Regulations shall be filed in writing by a team captain via email (grievances@ustaatlanta.com) to the chairman of the USTA Atlanta Grievance Committee. Examples of valid grievances include but are not limited to: misrepresenting a player's identity on a scorecard or in TennisLink; falsifying scores in TennisLink; recording a score without playing the match; using ethnic slurs or obscene language; coaching; abusive behavior; or physical violence.

Grievances must be filed prior to whichever occurs first: (a) the involved team's next match in that flight (or playoff match), whether or not the involved player participates OR (b) within 24 hours after the end of the local league season

There is a \$25 fee for filing a grievance under this Section VIII, which must accompany the written grievance. If the grievance is kept on file or if penalties are imposed, USTA Atlanta will refund the \$25 fee. All grievance filing fees retained by USTA Atlanta will be donated to the Atlanta Youth Tennis and Education Foundation.

Good luck – and have a great season!
