

Hello captains!

Welcome to another season of USTA League Tennis!

Thank you so much for volunteering. Not only will you serve as the communicator and representative for your team, but we wouldn't have our league without all of your efforts.

**Important Reminders:**

- If you have registered a team out of facility that is currently closed and that facility is still closed at the time your first home match is scheduled, you must notify your opponent and give them the option to play the match at their courts. If they cannot provide courts, it goes back to the original home team to find alternate courts for the match.
- Players are expected to follow the safe play guidelines listed at [usta.com/playersafety](http://usta.com/playersafety). Additionally, moving forward, there will be no ball exchange at the end of the match.
- In order for players to be eligible to play in the local playoffs, they must play **two times during the regular season** (first match through the last regularly scheduled match of the round robin). A default may count as one of the matches played.
- If a team forfeits more lines than they have played, making the match invalid, a warning letter will be sent to the team. If this happens a second time in the league season, the team will be removed from the league and reported to the USTA Georgia Adult League Committee for review.

**Georgia State Tournament for 2022 Championship Year**

We are currently in the 2022 Championship Year. City Champions from USTA Atlanta will advance to the USTA Georgia State Tournament to be held in May/June 2022 in Columbus, GA or Athens, GA. Please visit [USTA Georgia's website](#) for more information on logistics.

**Please note: the format for the state tournament is 1 singles and 3 doubles.**

### **Important Tips**

- Be sure to thoroughly read through and be well-versed with USTA Atlanta local rules and regulations.
- Per league rules, both captains (and/or fill in captains) must exchange a written lineup prior to playing. A team may claim a default for the positions that were to start first if a completed written scorecard was not exchanged. The remaining positions will play at the next scheduled time(s) provided a written lineup has now been exchanged.
- Assign a co-captain for your team! This will help for when you are out-of-town unexpectedly and can have someone take over for a team match. Once assigned, they will be able to have captain access on TennisLink.
- Contact your captain at least 3 days in advance to coordinate logistics for the team match.
- When speaking with your captain, confirm the facility address to make sure you have the correct address on file. You will also want to find out the number of courts that will be given for match and court surface.
- “Home” teams are required to provide two courts of the same surface for each team match. Unless another arrangement was made (and “agreed upon” by both captains), the first two matches to go on will be the #1 singles and the #1 doubles. The #2 doubles and #3 doubles should be there within one hour after the start of match time and the #4 doubles an two hours after the start of match time.
- You may add players at any time up until 11:59 PM on the night before the last local round robin match. Make sure your player is registered on your team before stepping foot on the court. If your player’s match is started at 9:00 AM, and they registered on the team at 9:02 AM, it is an illegal match and will be disqualified and awarded to the opposing team.

### **How to add or change the co-captain**

1. Go to TennisLink (<http://TennisLink.usta.com/Leagues>).
2. Login to TennisLink
3. Click on “Team Management” under the heading “Quick Links”
4. On the page that comes up, click on your team under the heading “Team Name/Team #”
5. You are now on the team’s management homepage. Cursor on “Edit” next to “Co-Captain” and make the changes via the drop-down box that appears.

Note: You must be listed on TennisLink as the captain of the team to add or change the co-captain.

### **Captain’s Corner**

The captain’s corner is another key resource tool for captains. Here, you will find:

- Captain 101
- TennisLink instructions;
- League calendar;
- USTA Atlanta local league rules and regulations
- Grievance forms and procedures;

- Self-rating Guidelines;
- Playoff information (when available); and
- City Finals information (when available).

### **Facilities**

Make sure you have the keys to the bathrooms and that they stay open throughout the match. If your facility has time constraints for courts, please make arrangements for them to stay open and lighted to allow you to complete long-running matches.

Another important note regarding facilities: Once you have indicated your official home facility in TennisLink, all home matches should be played at that facility. If you cannot play at your designated home facility, the visiting team has the option of supplying courts for the match. Of course, you can always agree to play your match somewhere else if it eases the commute... but home captains may not arbitrarily choose to schedule matches at an alternate facility.

### **The Grievances Process (found in captain's corner)**

When viewing the captain's corner, you will notice a grievance section with two types of complaints that can be filed from a captain.

#### NTRP Grievance

If you believe that you (or one of your players) have played against a player that has misrepresented their playing ability within the **self-rating** process (i.e., their playing level is at the top of the next level or higher), you should file a NTRP Grievance ASAP before the next match is played. However, you must have evidentiary support for your claim (i.e. college background). An opinion is not a valid back-up for a self-rate grievance.

#### Sportsmanship Grievance

All complaints alleging a violation of USTA League Regulations shall be filed in writing by a team captain via email ([grievances@ustaatlanta.com](mailto:grievances@ustaatlanta.com)) to the chairman of the USTA Atlanta Grievance Committee. Examples of valid grievances include but are not limited to: misrepresenting a player's identity on a scorecard or in TennisLink; falsifying scores in TennisLink; recording a score without playing the match; using ethnic slurs or obscene language; coaching; abusive behavior; or physical violence.

Grievances must be filed prior to whichever occurs first: (a) the involved team's next match in that flight (or playoff match), whether or not the involved player participates OR (b) within 24 hours after the end of the local league season

There is a \$25 fee for filing a grievance under this Section VIII, which must accompany the written grievance. If the grievance is kept on file or penalties are imposed, USTA Atlanta will refund the \$25 fee. All grievance filing fees retained by USTA Atlanta will be donated to the Atlanta Youth Tennis and Education Foundation.

Good luck – and have a great season!
